Dear Sir/Madam,

My name is Alfi Filsafalasafi, and I am writing to express my interest in the Officer AR Analyst position at PT ABM Investama Tbk.

I am a graduate of Informatics Engineering Education from Universitas Negeri Malang, with a focus on mobile, website and desktop application development. I have experience using PHP Laravel, Flutter, and VB.net. I have created an Excel program in Database Designer, specifically an e-report application for elementary schools. These projects have honed my skills in user interface design, application performance optimization, teamwork, and project management. You can view more of my projects at this link <https://alfi-filsafalasafi.github.io/My/>.

I am interested in joining PT ABM Investama Tbk because of its reputation for innovation and contribution to the information technology industry. I am confident that the Officer AR Analyst position aligns with my interests and skills. I look forward to contributing to data analysis and visualization for this company.

I hope to discuss further how I can contribute to PT ABM Investama Tbk. I can be reached via email at filsafalasafi@gmail.com or by phone at 085232842550.

Thank you for your attention and the opportunity.

Sincerely,

Alfi Filsafalasafi
